Mums - Do You Knit?
Would You Like to Learn?

Make New Friends and Help the Community

Trauma Teddy™ is a special bear knitted by volunteers and given to children during traumatic times. Parramatta Red Cross distributes these bears, with most of them going to Westmead Children’s Hospital.

We would like to begin a knitting group for parents who would like to knit these bears – they’re easy. This is a great opportunity for you to learn to knit, or practise your skills, make new friends, and help contribute to the local community. Debbie Jones, from our school office, will be co-ordinating the group.

If you can’t knit – don’t worry, you can learn! The pattern will be provided. You will need to bring your own knitting needles (size 3.25mm or size 10) and, if possible, some 8 ply wool.

We will be meeting in the Farsi room on Friday mornings, commencing December 2, from 9.00am. Tea and coffee will be provided.

We would also appreciate donations of 8ply wool – even small amounts can be used for our Trauma Teddy.

If you are interested in joining this knitting group, please complete the slip below and return it to the school office.

Any donations of 8 ply wool can also be brought to the office.

Knitting Group

I am interested in joining the parents’ knitting group.
